**SUBJECT: STONYVALE COMMUNITY STANDARDS DISTRICT (CSD)
(November 30, 2010, Item 74-D)**

On November 30, 2010 your Board approved a motion by Supervisor Antonovich directing the Department of Regional Planning (DRP) to prepare a draft CSD for the community of Stonyvale to address front yard setbacks; fence and wall heights; and equestrian-keeping.

The motion also directed DRP to work with Stonyvale community residents and surrounding community stakeholders; to coordinate with the County Departments of Public Health, Public Works, and Fire; and to report to your Board every 30 days on progress made. This is the fourth monthly report.

Since the last report on March 2, 2011, the tasks DRP has undertaken are summarized below:

1. Received and reviewed comments from DRP staff, County departments, County Counsel, USFS, and community stakeholders on the draft CSD ordinance. The CSD ordinance is now under final revision and all of the aforementioned parties will receive the final draft for concurrence.
2. Continued preparation of staff report and Initial Study.
3. Conducted DRP management review and DRP Policy and Implementation Review Committee review of the draft CSD on March 7 and 14 respectively.

4. Made an informational presentation to the RPC on March 23 about the Stonyvale community and preparation of the CSD.
5. Continued contact with the lead representatives from the County Departments of Public Health, Public Works, Fire, and the Sheriff; USFS; and the Stonyvale community.
